

## Life With God

*[to the tune of the old school hymn (I've got to tell it to the world) "He Made Me" – at least, I think that's what it's called...it's definitely got that line in it]*

Happy: *La! La! La!*

Mopy: *What are you so happy about?*

Happy: *Jesus came to give me life in all its fullness, he's got good plans for me and loves me!*

Mopy: *What makes you think you're so special?*

Happy: *Well.... [start singing]*  
He gave me life, which goes to show, how much I mean to Him

Mopy: *I'm not convinced, I think life stinks, and that you must be dim!*

Happy: *He made me very cleverly, I'm totally unique!*

Mopy: *I'm not surprised He broke the mould, you look like a geek!*  
*[sniggers] La,la,la,la*

Happy: *La,la,la,la - I've got a quite nice family, even my brother Dave*

Mopy: *My mum and dad, are both still mad, from when I had that rave*  
*[blast of rave music]*

Happy: *And I know God takes care of us, He even sent His Son*

Mopy: *It bugs me when He hangs around, just to stop my fun! [sniggers]*  
*La,la,la,la*

Happy: *La,la,la,la* - He gave me school so I could learn,  
about the world He's made

Mopy: And then write lines from 3 til 4 that rules must be obeyed

Happy: And on Sunday's I go to church and we all praise the Lord

Mopy: I'd rather be at home in bed, cause in church I'm bored! [*sniggers*]  
*La,la,la,la*

Happy: *La,la,la,la* - You shouldn't be so negative,  
I know you know God too  
And that to be much happier, you know what you should do  
Join me in singing songs to God and praying everyday  
And read your Bible lots and lots, to live life God's way!  
*La, la, la, la*

Mopy: *La,la,la,la,la!* [*sniggers*]
