Re refreshments- As you can see above, I have tried to include as many people as possible. I have sort to honour some of our more senior members, by not including them over this period. However, I do not want to cause offence, so if you would still like to be involved let me know, and I will include you next year.

Thank you all for your fellowship and service. As always, it is a privilege to serve the Lord together with you. In the words of Paul: -

Phil 1:3 I thank my God every time I remember you. 4 In all my prayers for all of you, I always pray with joy 5 because of your partnership in the gospel from the first day until now,

Communion Serving rota and notes

After you have served your section (see below) starting from the front, please wait at the back. Once everyone has been served you can walk together to the front. Then take your bread and juice to your seat. I appreciate this may sound a little regimented, however, we want this practical side of communion to run as smoothly as possible. Speak to Dave Holland if you have any queries.
