

The Meaning of Christmas Song

(tune: Supercalifragilisticexpealidocious!)

Happy: We bought Uncle Ted some socks, and chose Aunt Flo a jumper,
Then got mince pies and a cake for us to have for supper

Mopy: Mum said she was quite done in, so I made her a cuppa
Christmas shopping can be manic, mum's headaches a thumper!

Do be do be do do do

Do be do be do do do

Happy: For our Nanny and Granddad too, we wrapped a great big sofa,
I think they'll guess what is inside before unwrapping's over

Mopy: We went to pick them up to stay, in Dad's old clapped out Rover,
When we asked mum what present she'd like, she said a Vauxhall

Nova!

Do be do be do do do

Do be do be do do do

Happy: I think that Christmas should be more than presents, food and TV
And getting fat and drunk and broke, and the Queen's speech on the
BBC

Mopy: Jesus came to set us free, so we could live more happily,
It's his birthday, I'm so glad, He came to earth 'cause he loves me!

Happy: It's his birthday, I'm so glad, He came to earth 'cause he loves me!
